FOR IMMEDIATE RELEASE
9 AM EST, March 1st, 2010

VOLANTÉ SYSTEMS TO SPONSOR MURTEC SHOW

For over nine years Volanté Systems has been a proud sponsor of MURTEC. This year's event is occurring March 16-18, 2011 at Caesars Palace Las Vegas, and the theme is: The Integrated Enterprise: Aligning Technology Initiatives with Business Objectives. Attendees go to MURTEC to gain perspectives of technology within restaurant businesses in a conference format that is conducive to strategic planning, peer networking and technology evaluation.

Volanté Systems Vice President of Sales, Annette Ennamorato stated "We are expecting to see new and familiar faces at the show. We always enjoy sharing the insights and successes we have experienced over the last year with both existing clients and prospective clients. In addition to information exchanges, we are looking forward to listening and learning from a number of the retail guest speakers and technology providers."

Volanté welcomes all to come by their booth to discuss their business needs, the latest technology or just to catch up!

About MURTEC:

Entering its 16th year, HOSPITALITY TECHNOLOGY'S Multi-Unit Restaurant Technology Conference will bring together more than 225 restaurant technology, finance and operations professionals for three days of peer-to-peer exchange of ideas and best practices. The event is a must-attend for operators and vendors alike, offering a multitude of networking opportunities through exhibition space, topic tables, dinners and golf. For more information on this event , please contact the MURTEC website at:
