

Self-Service Kiosk Solutions

A Quick Guide

Volanté Self-Service Kiosks provide customers with easy self-ordering and self-checkout experiences. Be it a bustling micro market, cozy corner store, or lively cafeteria, we configure our point-of-sale kiosks to meet your needs.

Key Benefits of Volanté Kiosk Solutions

Reliable Operations

Enjoy 24/7 order fulfillment, minimizing downtime and errors.

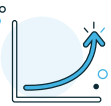

Faster Processing

Experience expedited order processing and shorter wait times.

Quick ROI

Achieve a swift return on investment, with break-even attainable in just 3 months.

Enhanced Sales

Increase transaction sizes by up to 30% through our upselling features.

Delight customers by enabling them to:

- Navigate our intuitive interface with ease.
- Customize their orders for maximum satisfaction.
- Select from various payment options at the kiosk.

Expand Your Capabilities

Customized Foodservice Technology for Your Space

Self-Service Kiosks

Our Self-Service Kiosks are available in 15" and 22" configurations and are designed to fit into any dining environment. With flexible placement options, you can position them on countertops or elevate them with a 47" tall extension stand for optimal accessibility.

Supported on Your Kiosk:

- ✓ **Weigh Scales:** Achieve precise measurements
- ✓ **Kitchen Display Systems:** Streamline kitchen operations
- ✓ **RFID Readers:** Enhance tracking and security
- ✓ **Barcode Scanners:** Improve inventory management
- ✓ **Payment Terminals:** Ensure secure transactions

Cash Payments?

Discover our CashLink Kiosk. Featuring a 21" screen, it allows customers to load cash and process card transactions, ensuring a convenient payment experience.
